HELPING HOUSTONS HOMELESS KEEP WARM

February 2- As temperatures dropped below freezing across our area, Bear Creek sprang into action helping bring warmth and God's love to some of our city's most vulnerable people. Teams from Bear Creek took hundreds of blankets as well as socks and other supplies to the downtown area. There, in partnership with the Church Under the Bridge, they distributed these supplies to Houston's homeless. With temperatures well below freezing for the rest of the week, these blankets may have been the difference between life and death for some.

The blankets and supplies were purchased by your generous giving during the Christmas Blessing. This is just another example of our desire to SERVE others sacrificially and SHARE Christ everywhere. Thank you Bear Creek for giving, serving, and sharing!
