Welcome to bear creek. We are so excited that you are here. Our staff and volunteers have spent countless hours preparing a great experience for you and your family. I hope that you have a wonderful time of worship and truly sense the presence of the Lord. If this is your first time with us, I want to thank you for being our guest. We would love for you to become a part of the bear creek family. I believe you will find a meaningful place of connection here, and I look forward to meeting you personally.

Did You Know?

By the age of five, children's brains are at 90 percent of their potential growth. A huge amount of brain-building has taken place in just a few short years!

By the age of three a child has twice as many brain connections as an adult! Sharing Christ with a young child will build a “connection” that can last a lifetime!

Serve in Discovery Land and connect a preschooler to God!
