

The background of the poster is a green mesh garment, possibly a pair of shorts or a tank top, laid flat. It is covered in numerous red splatters, resembling blood, which are scattered across the fabric. Several pairs of yellow flip-flops are placed on the garment, some near the top and some near the bottom. The overall color palette is dominated by green, yellow, and red.

**AUGUST**2010

## WELCOME TO BEAR CREEK

Lead Pastor  
David Welch

In many families across our community August signals the wind down of the summer and the beginning of all of the fall activities— school, sports, choir, etc. For our faith family, August signals the same thing. A new

ministry year brings many new opportunities to connect and experience real life-change.

We are so excited about all that God is doing in the lives of people at Bear Creek and hope that what you experience is more than just additional activity for an already busy life. We truly desire for you to experience real meaningful connection with God and with other believers.

I hope that you will join us this Sunday and throughout the fall as we strive to be a relevant environment of life-change where worship God passionately, grow together authentically, serve others sacrificially, and share Christ everywhere.

*Pastor David*
