

TREASURE QUEST

A SPIRITUAL JOURNEY OF THE HEART

Run the Race!!!

At the end of the Treasure Quest, we find a very important thing: no end to the quest. The treasure that we are seeking is not something to be obtained. Rather, it is a process that we go through with God. Finding God's treasure for our lives is ultimately about becoming God's treasure ourselves.

What you have learned over the past 12 weeks needs to be coupled with the encouragement and challenge of this passage of scripture. Keep your eyes fixed on Jesus and run the race with endurance. Don't allow the lessons you have learned to be forgotten or the disciplines you have begun to fade away. Ultimately, the final treasure is found at the end of the race as we are rewarded for how we ran it.

As the new school year begins, continue to challenge yourself with the lessons of the Treasure Quest. If you have started some new disciplines during this time, keep them going strong. Strive for greater faithfulness and a heart more fully devoted to Christ. Ultimately, what you give back to God will pale in comparison to what He does in your life.

Questions To Think About

- What have you started through this Treasure Quest that you can continue with into the new year?
- What goals can you set for yourself this year to grow even more in these areas?
- How have you already seen God work in your life in response to what you have been doing throughout the past three months?
- What do you see as your greatest obstacle to staying faithful?

Therefore, since we are surrounded by so great a cloud of witnesses, let us also lay aside every weight, and sin which clings so closely, and let us run with endurance the race that is set before us, ² looking to Jesus, the founder and perfecter of our faith, who for the joy that was set before him endured the cross, despising the shame, and is seated at the right hand of the throne of God. ³ Consider him who endured from sinners such hostility against himself, so that you may not grow weary or fainthearted.
